Mrs. James Shovlin, 49, Dies Suddenly Sunday

Mrs. James Shovlin, 49, the former Miss Idalia "Dollie" Stengel of Venice, died of a sudden heart attack about 2:45 p.m. Sunday at St. Mary's Hospital, East St. Louis, where she had been a patient 10 days to undergo surgery.

Mrs. Shovlin moved to East St. Louis about 29 years ago. She is survived by her husband, James, and two sons, Stephen and David, of East St. Louis; her mother, Mrs. Jessie Stengel of Alton; five brothers, Raymond Stengel of Venice, Richard and Irvin of Collinsville, Leo of St. Louis and Donald of Cahokia; and three sisters, Mrs. Gettrude Cramer of Maryville, Mrs. Nina Conkling of Valley, Calif., and Mrs. Irene Fischer of Wentzville, Mo.

Funeral arrangements are given in today's obituary column.

Local Church Men Attend Workshop at Edwardsville

First United Presbyterian Church of Edwardsville was host church to 200 elders of the Alton Presbytery at a workshop and supper meeting Sunday afternoon. Local men present were Rev. Dr. David B. Maxton, A. J. Mueller, Jr., Henry Kasper, George Holzner and Albert P. Busch.

The host pastor, Rev. William Mehl, served as chairman and introduced Dr. Morris Sanders, a nuclear physicist, who has been granted a seven-month sabbatical leave for the purpose of the workshop. His theme was "The Responsibility of the Church Layman as a Christian in the World of Today."

Conduct Charge
Donald Hutchinson, 20, of 908 Grand avenue, was arrested in the vicinity of 15th street and Madison avenue early Sunday morning on a charge of disorderly conduct. He was released on \$25 bail.

BUS FOR SENIOR CITIZENS at YMCA is shown being turned over Friday to Granite City Jaycees, whose high bid of \$304 was accepted by the Venice school district last week. Pictured (left to right) are Grad Krause, Jaycees second vice-president, School Supt. John O. Pier and Jaycees President Paul Morris, whose group plans to paint the vehicle and turn it over to the Senior Citizens club Jan. 23.

Jaycees to Give Bus to Senior Citizens at 'Y'

A 46-passenger bus newly purchased by Granite City Jaycees from the Venice school district will be presented Jan. 23 to the YMCA Senior Citizens club, Jaycees President Paul Morris announced today. George Gilman and Charles Ahling are serving as chairmen of the project.

The bus will be used for Senior Citizens field trips, which are expected to be expanded. Cost per person for such trips is to be reduced due to the availability of transportation. Presentation of the vehicle will coincide with Jaycee Week and National YMCA Week. In the meantime, it will be thoroughly cleaned, the interior and exterior will be painted, and seats will be rearranged to afford more room.

To aid in raising funds for the project, the Jaycees will hold a pancake lunch Jan. 31. On occasion, they will borrow the bus for Jaycee activities, including such programs as taking children to sectional sports jamborees.

In addition to the bus gift, the Jaycees are aiding senior citizens of the local community through a non-profit Reassurance Service under which daily calls will be made to individuals who live alone.

Math Book Stolen
Robert Pickens, 203 Twenty-eighth street, reported Thursday that a math book was stolen from his locker at Prather junior high school.

High Cost Involved
Even though easements were provided without cost, Gitchoff explained, titles and abstracts would have to be obtained on each piece, each section would have to be surveyed and recorded, and homeowners would have to be responsible for removing and replacing fences, utility lines or other structures. As an example, he pointed out that an additional cost of approximately \$15,000 would be incurred in a group of 300 homes for title, surveying and recording costs.

At this instance were repeated very many times it could mean an increase in the rate, Gitchoff pointed out.

As to the rate, both Noel and Gitchoff explained it had been determined on the basis of the present number of available users, the potential collection of tap-in fees and the growth factor of the area involved. The rate, now estimated at about \$4.66 per month, would be the maximum to be charged.

Edison Phelps, village clerk, asked if the preparation of final plans would be likely to change to any extent the rate and cost figures set up in the temporary report. Noel replied that the project is begun within the next year or year-and-a-half he was certain that it would not. He said the temporary report provides a contingency factor of about 5%.

Must Build Connections
The residents were told that sewer lines would be built with stubs extended to the property line and that it would be the responsibility of homeowners to make connection from their houses to the connecting point. Permit must be obtained for each installation and an inspection would be made at the time the tap-in is made. One member of the audience said he had heard it would be necessary to hire a registered plumber for the household installations, but Gitchoff said this was untrue; that installations could be made by anyone, even the householder himself, so long as inspection of the tap-ins is made. There also is no specific requirement as to the type of tile or pipe used, he said.

Briggs took part I in the discussion at only one point. That was when the question arose over a referendum on the sewer project. After Gitchoff explained that the township plans two publications of the sewer plan one informative and one official—and that a petition for a referendum could be filed within 20 days after publication of the official notice, Briggs told the meeting:

Prather Jr. High Band To Give Concert Tuesday

The Prather junior high school band under the direction of Miss Elsie Mayhew, will present its fifth annual Christmas concert at 8 p.m. Tuesday in the school gym. Admission is free and the public is invited.

Eighty-seven students will participate in the concert which will include a wide variety of both standard and seasonal selections.

Featured will be two smaller instrumental groups—a flute ensemble playing Bronn's "Doll Dance" as arranged by Nygren, and a brass choir presenting "Yuletide Carols" by Newell Lane.

Members of the flute ensemble are Sharon Joyce, Clara Evans, Jennifer Glick, Gilda Jones, Shepard, Kathryn Johnson, Deb Harrison, Judy Elledge, Susan Joyce and Brenda Johnson. The brass choir is composed of Nelson Hediger, Larry Lee, Helen Nohel, Linda Lennox, Nathan Bailey, Larry Rozycki, Becky

in the streets, Gitchoff explained that it was not impossible to extend lines to the rear of homes where the residents could not get together and agreed to provide right-of-way, but that there would be many problems involved and that there was a chance that the rate could be increased because of added expense.

General Gives Awards At GC Army Depot

Brig. Gen. Lloyd B. Ramsey, commanding general at Ft. Leonard Wood, Mo., visited the Granite City Army Depot last week and distributed awards after a troop review.

He presented Maj. Herbert Kessling a Legion of Merit medal for outstanding service during duty in Indonesia for developing training courses; and a citation to Chief Warrant Officer Jamie D. Hamrick for his initiative, leadership and managerial responsibility in a joint test and evaluation exercise.

The band portion of the program will include Everett Maxwell's "Standing Brass" march, "The Susquehanna" by Forrest Buchtel, highlights from Lermer & Loew's hit musical "My Fair Lady" as arranged by Herfurth, "Suite Espana" of Ernest Canera, and "Land of Liberty" concert march by Jack Lee. Christmas numbers will include Jessel's "Parade of the Wooden Soldiers" as arranged by Beeler, "A Merry Christmas" selection for band by Carl Frank, James Phoyar's "An Old English Christmas," "Yuletide Festival" melody by John Washington, Handel's famous "Hallelujah Chorus" from "The Messiah" and "White Christmas" by Irving Berlin.

At the conclusion of the program, refreshments will be served by the women of the Prather PTA with their president, Mrs. Huey Paul, in charge.

BOYD PRESLEY
Granite City

Leadership for the January March of Dimes fund campaign was completed over the weekend with the appointments of community directors in the key areas of the county.

Mrs. Nina Bigley of Granite City, county campaign director, said Boyd Presley, 2123 Edison avenue, a post office employee and active Jaycee member, will head the activities in Granite City.

Also named for the Quad-Cities were Mrs. Ruby Wood, 1738 Second street, a housewife, for Madison; and Milton Morris, a businessman, Mrs. Hilda James, 200 Weaver street, and Mrs. Phyllis Jackson, 411 Solb street, both registered nurses, for Venice.

Mrs. Bigley pointed out the drive will start Jan. 2 with the aid of thousands of local volunteers, and the funds raised will be used to research and treat birth defects on both local and national levels.

Electronic Experts Needed for Missiles

Vacancies for the position of guided missile technician are now available in this area with an agency of the federal government.

The duties are concerned chiefly with the electronic and mechanical control systems related to the guided missile.

The Army board of Civil Service examiners is accepting applications for these civilian positions. The pay is \$2.55 an hour. Applications will be rated on the basis of experience and training in the field of electronics.

Competence must be shown in the use of test equipment such as voltmeters, ohmmeters, megometers and pressure indicating devices. Competitors also must have a knowledge of the principles, basic functions and applications of the theory of electronics, including electro-magnetism.

Area, State Police Prepare For Holiday Traffic Alert

An all-out drive to keep traffic accidents at a minimum by acquainting motorists with the best methods of combating winter driving hazards and by concerted police traffic control measures was being organized today by Quad-City officials for the annual holiday "alert" driving period.

Local and state police and traffic officials point out that traffic accidents, injuries and deaths on streets and highways are expected to run high during the Christmas and New Year's holidays and that every possible step will be taken to keep the figure as low as possible. This

alternating current, direct current and vacuum tubes.

Further information and application blanks may be obtained by writing to the Army board of Civil Service examiners, 1114 Market street, St. Louis.

can be done, however, only if the motorist is willing to cooperate and do his bit, officials said.

Statistics attributable to the Christmas holiday will be gathered by the National Safety Council for a 78-hour period. The count will begin at 6 p.m. on Thursday, Dec. 24 and will continue until midnight Sunday, Dec. 27. This period will be a four-day holiday for many persons and for that reason a higher than usual number of accidents is anticipated.

Local police officials have warned motorists to be prepared for any type of winter weather which frequently occurs so quickly the unwary motorist has not put his car in condition to cope with snow-covered streets and frigid temperatures. Stalled autos present one type of traffic hazard that can be eliminated by proper preparation to

meet winter conditions, officials said.

Guard Against Complacency

Police also warned motorists to guard against complacency that comes with "getting used to winter." Instead, they advised drivers to avoid unnecessary travel during severe storms or whenever heavy snow is predicted. Best defense against danger is the ability to keep moving, to see clearly and to stop safely, they said.

To make this possible, motorists should make certain that defrosters, windshield wipers and blades are capable of doing heavy duty. Motorists should have anti-freeze fluid put in windshield washers, have the brakes checked and be sure tire treads are sufficient to furnish braking power and traction when needed.

Gov. Kerner has issued a Christmas holiday "alert" beginning Dec. 13 and continuing through Jan. 3. Illinois State police have been instructed to observe "Traffic Condition Red" as in the past and during the actual holiday weekends all members of the department, supplemented by investigators of the secretary of state's office, will be on duty for traffic control work.

Santa Visits AAUW Meeting

Santa Claus visited the annual Christmas dinner party of the Granite City Branch, American Association of University Women, Thursday evening at the Howard Johnson restaurant near Collinsville.

Mrs. Alfred Pape, president, welcomed the guests and introduced new members. The Christmas Story was read by Miss Selma Nelson and gifts were exchanged.

The guest speaker was Mrs. William Flippo of Alton, who was introduced by Mrs. Hugh Foster, program chairman. A former instructor at modeling schools in Dallas, Tex., and St. Louis, Mrs. Flippo also served as coordinator for a television series, "School of Charm." She spoke on "Improving Your Charm."

Miss Paula Finkelstein, a vocal music teacher at Logan and Niedringhaus schools, sang "Winter Wonderland" and led the group in Christmas carols.

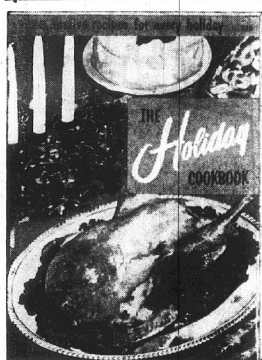

Those in charge of decorations at the party were Mrs. Philip Sheridan, Mrs. Harold Matson and Mrs. Vasil Dimitoff.

Miss Judith Ann Carraher, Walter J. Padgett are Wed

In a late afternoon ceremony Saturday at St. John United Church of Christ on Nameoki, Miss Judith Ann Carraher, daughter of Mr. and Mrs. Emmet Carraher, 2705 Iowa street, beamed as she was united in marriage to Walter J. Padgett, 3718 Garfield avenue.

Rev. Paul Surbey officiated at the 4:30 candlelight service. Bouquets of white chrysanthemums and red roses adorned the altar and white ribbon and greenery decorated the candles in the aisle.

Mrs. Isabel Schmidt presided at the organ and accompanied the soloist, Mrs. Richard Brand, as she sang "With This Ring (Sacro): Lord, We Owe Thee" (Brahms); and his cousin's best man, Grover, sang "Wedding Prayer" (Dunlap).

Mr. Carraher gave his daughter in marriage. She wore a gown designed by herself. It was fashioned with a bodice of imported French ribbon lace, a long skirt with a detachable train of peau de soie. A silk illusion veil was held in place with a wreath of elevelets around a puff of matching ribbon lace and the bride carried a bouquet of pink orchids, lilies of the valley and lily.

A reception was held in the church Fellowship Hall and a buffet supper was served by the ladies of the church.

Mrs. Arthur Lipold of Edwardsville and Miss Rita Stokely of Collinsville were bridesmaids. The newweds will live at 2300 Holman street, Alton.

The former Miss Carraher attended the Granite City schools, Southern Illinois University, and recently was graduated from Graduate School of Laboratory Technique. She is employed as a laboratory technician at St. Charles hospital, in Alton.

Mr. Padgett attended the local schools and served in the U. S. Air Force. He is continuing his education at Southwestern Illinois University, Alton campus, and will be graduated next June.

The bridegroom's parents gave the rehearsal dinner Friday evening at Sunset Hill Holiday Inn.

MRS. WALTER J. PADGETT, the former Judith Ann Carraher, daughter of Mr. and Mrs. Emmet Carraher, 2705 Iowa street, who was married Saturday afternoon at St. John United Church of Christ on Nameoki road.

Den Three of Cub Pack Four met Wednesday afternoon with its den mother, Mrs. Ruth Cawins, at her home with her assistant, Mrs. Nona Harris.

The boys continued to work on a shoeshine box, which is to be finished next week. They planned a Christmas party for Dec. 21 at the den mother's home.

Refreshments were served by Mrs. Steffans to the den mothers, Den Dad Wanda Cawins and daughter, Carla, and Craig Cawins, Bobby Galbraith, Dale Harris, Dennis Reynolds, John Snider and Timothy Steffans.

DECORATE FOR PARTY

Cadet Girl Scouts of Troop 251 met Wednesday afternoon at

the home of Mrs. Jean Stoppolt, 2444 Dewey avenue, with the leader, Mrs. Lillie Anderson. They discussed badge work.

Barbara Bloodworth, Kathy Schecht and Betty Bilbey arranged to decorate Mrs. Stoppolt's basement today for a Christmas party to be held Wednesday. The girls will exchange gifts, and an additional surprise is planned by the committee.

Other scouts present were Judy Anderson, Lois King, Marilyn Mericle, Linda Pilcher, Kim Scheff, Debbie Seebold and Janet Stoppolt.

PLAN HOLIDAY PARTY

Brownie Troop 103 met Wednesday with the leader, Mrs. Joan Wyatt, in her home and with the co-leader, Mrs. Ruby Medley.

"B" Patrol presented the flag and the pledge of allegiance and the Scout promise was repeated. The girls made Christmas gifts

for their parents and discussed a party which will be held Wednesday.

Patrol B will present the flag at the Logan PTA meeting Thursday night. Patrol A closed the meeting with "Taps."

Scouts present were Teresa Badden, Barbara Black, Cindy Branch, Diane Buente, Mary Beth Cross, Debbie Freeman, Laurie Gibbs, Robin Garrett, Teresa Hancock, Patty Howton, Vicki Johnson, Brenda Jones, Kathy Justice, Evelyn King, Sarah King, Kathleen Lane, Kathy Laws, Barbara LeMaster, Linda and Vicki Medley, Cheryl Mouser, Vicki Myrick, Marcia Robinson, Cynthia Robinson, Cheryl Westbrook, Melia Wofford, Sharon Woodson and Pamela Wyatt.

Junior Girl Scouts of Troop 49 met Wednesday with its leader, Mrs. Loretta Justice, in her home and with the co-leader, Mrs. Pearl Wells. They opened with the pledge of allegiance and Girl Scout promise.

Plans were made for a Christmas party Dec. 21, and they made gifts for their parents. The troop chose the pine tree symbol as troop crest and closed the meeting with "Taps."

Present were Linda Atwood, Cecilia Barnes, Beverly Blount, Chronister, Pamela Cross, Sharon Griffith, Marcella King, Connie Richardson, Robin Smith, Nelda Walton, Debbie Withers, Debbie Woodford and a Cynthia Wyatt.

Auto Skids on Fehling Rd., Hits Car in Driveway

An auto driven south on Fehling road by Thomas Stith, 16 of 2254 Benton street, skidded out of control on the wet road way at the curve and went across the lawn at 3245 Fehling road to hit the right rear of the auto of Charles Blum of that address. Blum's auto was parked in the driveway at his home. The Stith boy was charged with careless driving.

Squad Car Damaged in Collision at Venice

A Venice police squad car was damaged at 8:25 p.m. Sunday when it was struck on the right side by an auto driven by Mrs. Mary F. Wyatt of 106 Granville street. Mrs. Wyatt was charged with careless driving and destruction of city property. A hearing was set for Dec. 28. The squad car was driven by James C. Cooper, 39, of 72 Venice homes, who said he was headed north on Second street and after making a stop at Granville was proceeding through the intersection when the other auto struck him. Mrs. Wyatt said she did not see the police car because of a truck parked at the corner. Chief Frank DeWitt said the extent of the damage to the squad car had not yet been fixed this morning.

Hoelscher Returns from Manufacturers Meetings

William Hoelscher, general manager-secretary of the Manufacturers Association of the Tri-Cities, returned to his offices today after attending a series of convention sessions in New York and Chicago during the past two weeks.

From Nov. 30 through Dec. 6, Mr. Hoelscher attended annual meetings of the National Industrial Council and the National Association of Manufacturers in New York. Last Thursday and Friday, Dec. 10 and 11, he attended the annual meeting of the Illinois Manufacturers Association in Chicago. Mr. Hoelscher was accompanied by his wife.

Two-Auto Collision

Involved in a collision Sunday night at 27th street and Grand avenue were autos driven by Emory Ackerman, 16, of 2908 State street, who was going south and making a left turn, and Donald Cave, 25, of 2259 State street, who was traveling north.

Even the most expensive watch can't keep time as precisely as Accutron. That's because all the mechanical parts that make a conventional watch fast or slow have been left out of it. The Accutron movement is electronic. It's powered by a battery that keeps a tiny tuning fork vibrating 360 times a second, and it comes with the first guarantee of accuracy ever given. (You might like to know that the U.S. uses Accutron movements in satellites and issued them to all X-15 pilots.) You can't give a man a more perfect gift of time.

Levee District Sued For \$135,000 for Boy

A suit for a total of \$135,000 has been filed against the East Side Levee & Sanitary District for Kenneth Edwards, 13, and his father, Hampton Edwards, in Madison county circuit at Edwardsville.

The complaint states that last Feb. 5 the boy and other children were playing near Terminal avenue in an unguarded drainage ditch water pipe owned by the district and that a check valve struck him in the head causing severe and permanent injuries.

The complaint alleges his right became endangered and he is afflicted with cranial nerve palsy. The complaint states that the children entered the pipe through a four-foot manhole in which the cover had been removed.

The court is being asked to award \$100,000 to the boy for his injuries and \$35,000 to the father to cover medical expenses and loss of future earnings.

Man Given Two Years Probation for Burglary

David Nichol, 24, of 2206 Grand avenue, was given two years probation last week in Madison county circuit court at Edwardsville.

He pleaded guilty to burglary last August at the home of Howard Westbrook, 2158 Adams street. He was arrested with an 18-year-old youth, now in the service, and a juvenile girl.

In other court action, a motion for separate trials for Edward Lee Coleman, 19, of Brooklyn, and Lawrence Davis, 18, of 363 Lee Wright Home, Venice, was denied. They are charged with voluntary manslaughter in the fatal beating of 13-year-old "Pete" Logan, 35, of 1127 Logan street, Venice, the father of 10 children, on Oct. 4.

A setting of criminal cases was scheduled to begin today in the court at Edwardsville.

500 Hear GCHS Band's Christmas Concert

An audience of over 500 persons was captured Thursday night by the adept playing of the 119-student concert band of Granite City high school.

The season's first concert featured holiday medleys, fast marches, a descriptive fantasy "The Toy Shop" narrated by Carl Hamilton, and a Leonard Bernstein number, Third Sailor's Dance from the ballet "Fancy Free."

Boys in the band wearing regulation uniforms and the girls in formal dresses followed director Louis Meek on every beat, and each number through the curtain-closing "I'll See You Again" was met with thunderous applause.

Meek announced the January concert would be a memorial to John Philip Sousa and will feature many of his stirring marches.

Auto-Truck Accident

Involved in a collision Friday evening at Third street and Cambridge avenue were a truck operated by Harold Pulley, 209 Cambridge, who was going east and making a right turn, and a northbound auto driven by Larry Webb, 115 Greiner Homes.

Loaded with For Sale Signs
Real estate signs were placed in the yard of the home of Paul E. Friley, 3509 Johnson road Thursday night, apparently by practical jokers. Police were called and the signs were removed.

Hit-Run Accident
Richard Hill, jr., 2258a Berne street, reported Friday morning that his 1953 auto had been struck by a hit-run motorist. Hill's car was parked in front of his home.

A Sale With a Reason...

Not Just an Excuse!
WHAT IS A BARGAIN?

You, the homemaker, are constantly besieged with advertisements of merchandise called bargains at prices reduced from much higher "list prices." Many of the values are authentic; some, possibly, are not.

However, no one can offer a legitimate bargain unless they have a legitimate reason for doing so. Fredman Bros. has such a reason for offering values far beyond the usual: The last six months have been among the busiest in our history. Business has been good; it has been so good that we have reached our profit quota for the year. Most of anything else we make now would be paid out in taxes. Therefore we've slashed prices throughout the store with only 5 things in mind:

1. Show our appreciation to our customers and friends in the Quad-City area by offering them an opportunity to buy all their Christmas gifts at "After Christmas" prices.
2. Reduce the overstock now instead of waiting 'til after Christmas.
3. Open up 500 new accounts before the end of the year.

Therefore all merchandise will be marked down as much as 30% to 60% just as if it were after Christmas but you can still have it delivered in time to give as a Christmas gift.

CAROLING TOUR
CAROLING TOUR

A group of third grade students from the Namecki school, with their teacher, Mrs. Owen Willtrout, and a number of the mothers, toured St. Elizabeth Hospital to sing Christmas carols Thursday afternoon. Twenty-seven were in the party.

Mrs. Catherine Jenette Rajewski and Robert H. Lybarger, who were united in marriage Saturday evening at 7 o'clock at the First United Presbyterian Church in Madison.

The bride is the daughter of Mr. and Mrs. Walter Rajewski, 843 Allen avenue, Madison. The groom is a son of Mr. and Mrs. George Lybarger, who reside at 1538 Fifth street, Madison.

Rev. Harry Colquhoun officiated at the double ring ceremony.

The "Wedding Prayer" and "Because" were sung by Edward Ashley, with Mrs. Leonard Miller at the organ.

The bride wore a gown of peau de soie and re-embroidered Alencon lace. The fitted bodice had lace trim, with a Sabrina short puff sleeves and very full neckline and long tapered skirt. A wide band of the Alencon lace and motifs trimmed the controlled skirt, a detachable skirt with motifs of lace and peau de soie roses falling to a chapel train.

Her all-over double crown was attached to an imported silk illusion bouffant veil. A cascade of white carnations with greenery was carried.

Miss Carol Rajewski, sister of the bride, served as maid of honor, with Mrs. Logan Donaldson, sister of the groom, as bridesmaid. Flower girl wore Tammy Donaldson and Lori Lybarger, nieces of the groom.

The maid of honor and bridesmaid were dressed in identical gowns of emerald green satin floor-length sheaths. Each fitted bodice had a scoop neckline and long sleeves with a high-cut waistline. The back of each dress was designed with a bow and panel. Matching open crown

pillboxes with rose trim and Ashley, with Mrs. Leonard Miller at the organ.

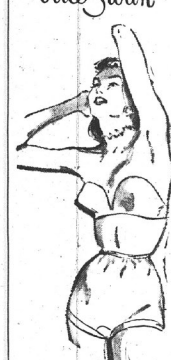

The flower girls were attired in peau de soie dresses with fitted bodices, rounded necklines, had lace trim, with a Sabrina short puff sleeves and very full neckline and long tapered skirt. A wide band of the Alencon lace and motifs trimmed the controlled skirt, a detachable skirt with motifs of lace and peau de soie roses falling to a chapel train.

Hadley seated the guests. Mrs. Lybarger had a corsage of bronze pom poms. The bride's silk illusion bouffant veil. A cascade of white carnations with greenery was carried.

60 Children Get Gifts from Santa

Santa Claus made a special appearance Saturday afternoon at the annual Christmas party for retarded children held in Fellowship Hall at St. John's United Church of Christ. More than 60 youngsters attended the affair, which is sponsored each year by the Macenas Society.

Entertainment was provided by a kitchen band and the children enjoyed "The Story of Christmas" as told by Mrs. Vivian Dine. Refreshments were served and a gift was presented to each child. Members of the Granite City Association for Aid to Retarded Children assisted.

26 Present for Class Yule Party

The Christmas party by the Naomi Ruth Class of Trinity Methodist Church was held Thursday in the church basement.

A noon luncheon was served to 26 from tables decorated with Christmas candles and other seasonal appointments.

Mrs. Bethel Davis, a guest, offered prayer and during the afternoon accompanied the group as they sang carols led by Mrs. Jean Johnson.

Mrs. Milda Brainard, teacher, gave the Christmas story from the Bible, assisted by Mrs. Anna Dooody and Mrs. Jessie Jennings. Other guests were Cassandra Schooley and Tracy Bowers.

Teacher Society Holds Yule Party

Beta Eta of Delta Kappa Gamma, a teachers' honorary society, held a Christmas party at Sunset Holiday Inn on Saturday.

Miss Dorothy Cox and Mrs. Georgia Engleke served as hostesses.

The theme, "Changing Patterns in Other Cultures," was carried out by the guests explaining the Christmas customs of Germany, France and Italy.

Mrs. Valerie Stevens led group singing and explained Christmas carols in other lands. Mrs. Engleke was chosen the Delta Kappa Gamma of the month and presented with the rose of "Delta Kappa Gamma."

Others attending from the Quad-City area were Marguerite Connoile, Irene Cook, Vivian Dine, Viola Edwards, Maecene Groshong, Anna Marie Hart, Nelle Hart, Catherine Hilbrand, Gladys Papa, and Cleo Ulm. Miss Ann Carey, formerly a teacher in the local school system now teaching at SWIU center in East St. Louis, also was present.

FREDMAN BROS. REDUCE PRICES ON ALL LEFT-OVER '64 PHILCOS IN THEIR GIANT MONEY SAVING AFTER CHRISTMAS CLEARANCE SALE

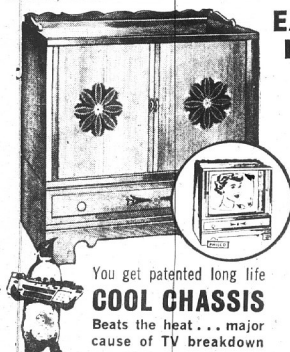

OPEN EVERY EVENING 'TIL 8:30

Fifty years ago three brothers established a furniture business based on the following policies and ideals. "To Build a Store That Will Be a Credit to the Community Which It Serves, to Foster a Fine Relationship Between the Store, Customer, Co-workers and Suppliers. To Maintain and Always Sell Merchandise at the Lowest Possible Price. To Understate Rather Than to Exaggerate in Advertising and Selling. To Consider No Transaction Closed Until the Article Purchased Has Rendered Satisfaction. To Measure Success Only by the Service Which It Is Able to Render to Its Customers." These were the policies originally set forth by the 3 founders. These are still the ideals adhered to by themselves, their children who are

now part of the business and by all their employees no matter what position they hold. These are some of the reasons why we are announcing our "After Christmas Clearance" now before Christmas. We want you, our friends, to be able to take advantage of these special prices and still enjoy the pleasure of giving and receiving one of these fine gifts for Christmas. Here are values like you've never seen before and every piece is backed by Philco's regular guarantee of quality workmanship. These special prices represent just a few of the many fabulous values being offered during our After Christmas Clearance Sale, all on special easy credit terms.

**Swimming Pools Rise
In Popularity in State**

Public swimming pools continue to rise in popularity, according to the Illinois Department of Public Health, which reviews and approves plans and issues permits for construction of all new pools, both outdoor and indoor, and for improvement of pools.

By the end of November, 123 permits had been issued this year, mostly for construction of new pools. Approximate cost of the 123 projects is \$5 million. There now are nearly 1300 public swimming pools in Illinois.

To the end of November, 325 engineering surveys were made on these pools in 1964, and reports, with necessary recommendations concerning sanitary conditions and operation, were sent to the proper authorities.

Alton State Hospital Abandoning Farm

After 50 years of operation, the farm at Alton State Hospital is ceasing production because of economy reasons, it was announced over the weekend by Dr. Abraham Simon, superintendent.

"We have been expecting the discontinuance order for some time," Dr. Simon confessed. "Actually, the farm operation has become a financial burden to the hospital."

Dr. Simon pointed out that the high cost of labor and equipment has made institutional farming economically unfeasible. In addition, he maintained, farm work for patients is no longer considered important as a therapeutic technique.

Authorization for closing the 1000-acre farm was received in a communication last week from E. P. Merten, deputy director of the Illinois Department of Mental Health. The decision evolved from a meeting on Nov. 17 in which department officials met with Gov. Otto Kerner.

**Paddlers Stockholders
To Meet on Jan. 23**

Paddlers Swim Club, Inc. will hold its annual stockholders meeting and election of board members on Saturday, Jan. 23, in the 300 Room of the Tri-Mor Bowl. President Edward Hoff announced.

Plans for the yearly business meeting and election were completed Thursday night during an executive session held in the home of Bert St. Ivany, 3715 Erie Oaks drive.

Financial statements and a specimen ballot will be mailed to stockholders prior to the meeting. Dues for the coming season and improvements to the pool area are scheduled for discussion. Hoff is urging each family to have a representative present.

Directors, who attended Darwin R. Freeman, 612 Jefferson avenue, Venice, was dismissed Thursday by Magistrate Andrew Gatchoff. Mrs. Mary Jessee, Mrs. Mary Earls and Mrs. Mary Ann Reznack, city attorneys.

Cheaper to Buy Than Raise Farm Products

Of late, there has been a trend to abandon farm operations at hire in other capacities. Most of the closings are because of economy reasons.

Farm Was Origin
Originally, Alton State Hospital was formed around a farming enterprise, and for years produce from the farm was consumed by patients and employees living on the grounds. Today, however, according to officials, it is cheaper to purchase items on the market.

The shutdown will be conducted in phases, according to A. K. Smith, assistant superintendent, administrative division. He said the general plan was to feed out the dairy and swine herds through the winter, and disposal would probably take place next spring. The hospital has about 300 head of cattle and more than 1000 hogs, 60 of them bred sows.

There is no definite plan for disposal of animals or land, although it was ascertained that the real estate would not be sold. Speculation is that the cattle will be transferred to other institutional farms, while the

CUT FUEL BILL 25%
Would you like to slash 25% from your winter fuel bill? This is possible in only two ways—

One—Turn down the thermostat and wear a sweater, or
Two—Let us blow 4" of insulation into your attic.

The second alternative actually doesn't cost you a thing—because, if you don't insulate, you are paying for it anyway in high fuel bills.

Mail Christmas Cards Now, Postmasters Urge

To be absolutely sure of on-time delivery, out-of-town Christmas cards should be put in the mail by Wednesday at the latest, local postmasters warned.

The Granite City post office is open from 8 a.m. until 6 p.m., up to and including Dec. 22. On Saturday, hours will be from 8:30 a.m. until 5 p.m., and on Sunday, the post office will be open from noon to 5 p.m.

Postmasters also noted that there is more to the four new Christmas stamps than just a pretty design.

"Each of the gaily colored holiday messengers can trigger a vast amount of postal service for you," they said.

"The five-cent postage provides first-class mail privileges for Christmas cards. This means they may be forwarded or returned if undeliverable and they receive the nearest first-class priority in handling and delivery."

"Of course, the stamps will be good for all mailing purposes for which postage stamps are used."

Local post offices predict another record volume of mail this

Christmas and to date the volume is running above last year.

Postmasters are suggesting that all out-going mail include the local ZIP code in return addresses.

"People should keep Christmas mailing lists current. They should check the return addresses in their little black book and then add ZIP codes to their lists."

ZIP coded mail generally moves in a more direct route and is handled fewer times before reaching its destination. This not only speeds handling of the mails, but saves the post office department a considerable sum of money, thereby enabling the postal service to maintain the present low postal rates.

The postmasters noted that the Christmas rush is the busiest season for the post office, but that the country is in the midst of a mail explosion. The 72 billion pieces of mail handled during the past year is six billion more than the number of pieces delivered only three years ago.

"The post office needs your cooperation," they said.

Steel Industry Shows Steady Employment Gain

October was the 11th consecutive month that employment increased in the iron and steel industry, American Iron and Steel Institute announced today. The October total for hourly and salaried employees was 570,630, slightly more than September 1964 (567,392) and 62,290 higher than in October a year ago. The October employment total was the highest since June 1960.

The first ten-month's average employment was 548,925 compared to 522,822 for the same period in 1963.

Other highlights for October 1964 included:

Aggregate payroll for hourly and salaried employees: \$388,439,846 in October 1964, vs. \$371,336,874 in September 1964 and \$331,923,138 in October 1963.

Total employment cost per hour worked by hourly employees: \$4.36 in October 1964, vs. \$4.37 in September 1964 and \$4.20 in October 1963. The October 1964 figure includes \$3,688 average payroll cost per hour worked, plus an estimated 67 cents an hour in employee benefits (pensions, insurance, supplemental unemployment benefits, savings and vacation plan costs and legally required payroll taxes).

Average hours worked per week by wage earners: 39.6 in October 1964 vs. 38.9 in September 1964 and 38.0 in October 1963.

The above data cover only employees engaged in the production and marketing of steel, and exclude mining and non-steelmaking employees in companies having such operations.

Optimists Hear Talk On Training Children

Basic parental training of youth in the home and in the future development of a child were the topics discussed by Lt. Col. Vernon F. Quilowatz, assistant command chaplain at Scott Air Force Base, who addressed a luncheon meeting of the Granite City Optimist Club at the Tri-Mor Bowl, Thursday.

The guest speaker urged greater efforts by parents to prepare their children with a good foundation of home training to meet the problems of later life. Col. Quilowatz was introduced by Arthur Roseman, program chairman.

Other guests present at the luncheon were Rev. John DiGiacomo, pastor of the Mitchell Presbyterian Church, Rev. G. Lewis Kujawski of the First Church of God and Alvin C. Stenhouse.

Robert Brave, president, welcomed the guests and conducted a brief business session. Members heard a report on the Optimist Christmas tree sales lot at Nanook Village shopping center. The lot is being operated daily from 10 a.m. to 9 p.m. under the joint sponsorship of the Granite City and Twilight Optimist clubs.

Next Thursday, the club will resume its weekly luncheon meetings in the YMCA, starting at 12:15 p.m.

Court Revision, Dock Expansion Among Early Highlights of 1964

Nineteen sixty-four will soon pass into history.

It will be remembered by different individuals primarily for the events which most directly affected their personal lives.

However, permanent developments of general importance to the Quad-City community, if the gains of the past are kept in the forefront, the chances of them being maintained and expanded are increased.

Memory tends to obscure what has taken place, even a year ago. However, permanent developments and editorial comment bring them quickly back to mind.

New Year's marked the official start of the new Illinois judicial system, under which the city court of Granite City advanced to circuit court status.

The same morning of January saw dedication of a \$350,000 expansion of the Granite City river terminal, sponsored by the Granite City Development Agency.

It was heralded as the only public terminal on the Mississippi River not developed as a burden on taxpayers.

Big Democratic Rally
Hearings of the future included a Democratic rally which attracted 1000 party faithful in Granite City.

General William Clark and Congressman Melvin Price spoke. The rally was held at the Y.M.C.A. building.

G. W. Hoelscher, retired as manager of the Granite City Association and later was chosen as recipient of the 1963 City Achievement Award in recognition of his long leadership and service to Granite City schools.

Creation of express bus routes was planned. Granite City park commission hired architects to prepare cost estimates to an ice skating rink and work continued on the interstate bridge.

Additional construction contracts for the Southwestern Illinois University campus were awarded.

Tavern Hours, Road Widening
Madison officials discussed changing tavern hours to conform with those of Madison county and other counties.

East Side Levee and Sanitary District voting, along county election, were given key party support for levee trustee posts.

Lawrence Toland was elected as 1964 levee president. Joint city-county paving of Marvyle road was authorized for 1965.

A blizzard dumped eight and a half inches of snow, closing schools and disrupting traffic.

Madison's city administration noted the ending of Chain of Rocks Bridge debt—and of yearly \$100,000 payments to the city treasury.

Ownership to continue bridge jobs for Madisonians was explored. Granite City schools accepted a deed to the former downtown post office.

William Dallas decided to close a tavern operated by his wife, rather than leave the Granite City council, but Christ Costoff retained on the Madison council without challenge.

Many plant expansions. Following a \$300,000 increase in Granite City construction in 1963, permits were issued in January for \$400,000 nursing home and a \$100,000 addition to the Granite City instant coffee plant.

The Press-Record started a 30 years old column on this page, East St. Louis River water company, and a local tourism promotion committee was formed.

Alcoholic beverage control improved under revised Granite City meeting payment rules.

Regional planning discussions began, and an Aurora-Rockford study showed 50 to 60 foot deepening of the river.

Seventeen Southern Illinois University and SWIU adopted full year-around sessions. A 24-hour power plant was installed in Granite City.

As federal legislation, O. Smith Corp. announced an \$80,000 expansion and General Smith Corp. announced an \$80,000 expansion.

Increased canal and harbor traffic made necessary a \$1,000,000 project to improve the height of walls at the auxiliary canal locks.

Despite ice and water depth problems curtailing Mississippi river traffic, local river terminal continued serving all shippers requesting service.

Missouri decided to attempt to alter the river current was proposed by Missouri.

Water service to Eagle Park Acres home, near Republicans attracted 400 to a county Lincoln Day Dinner in Granite City.

Illinois Power Co. cut residential and industrial electric power rates.

Within 19 months and Granite City police "moonlighting" was outlawed.

Madison authorities proposed an incinerator to serve local municipalities. Madison County Board of Supervisors decided to lease a joint office building and Howard Kasberg, Madison County Board of Supervisors, had formulated county zoning plans, was named chairman of the new Zoning Appeals Board.

Illinois Legislature Should End Loopholes Aiding Organized Crime

A 12-series on proposed laws to combat organized crime, completed on this page today, deserves study and action by the Illinois legislature in 1965.

Some of the proposals, or some aspects of them, may not meet with majority support. But decent citizens have a right to expect a legislature to make a move toward ending legal inadequacies—loopholes that in effect protect no one but the unprincipled gangsters who infest some communities and have tried at various times to gain a foothold in Madison county.

The legislative program developed by the Chicago Crime Commission—a respected non-partisan group with 45 years of experience in its field—would outlaw syndicated gambling, improper loan shark practices, criminal liquor store records, possession of bombs and "Molotov cocktails," and possession of gambling records. It would revise grand jury tenure, witness immunity and suppression of evidence. Wiretapping for criminal investigations and purposes and seizure of autos used in crimes would be authorized. And it would expand current law provisions relating to gambling evidence.

Illinois and many other states are virtually helpless now to cope with hoodlums using threats and intimidation to enforce their verbal orders, given to underlings who take the direct risks of violating the law. Particularly in Illinois, where the syndicate flourishes so freely in the major population center, it is vital that something be done, and soon.

Cook County Residents Cast 52% Of Votes In November
The increasingly influential role played by Cook county in Illinois government was demonstrated by the November election, although the "downstate" counties of the Chicago area in contributing to the Democratic sweep.

Final canvass figures show that the 4,796,641 casting full ballots consisted of 2,493,532 or 52% residing in Cook county and 2,303,109 or 48% living elsewhere in the state.

Cook county defeated a proposed constitutional amendment on emergency governmental continuity; downstate gave more than two-thirds support and lost a clear majority of the total voting turnout, but Cook county's lower favorable margin proved decisive.

The official vote tally also disclosed that only 928 marked the special presidential ballot for next Illinois election, the grant total of 8,805,928. Although this is less than a fifth of 1%, they had a right to participate and the legislature acted correctly in ending their disfranchisement.

Some people are like blotters—soak it all in, but get it all backwards!

Circumstantial Gambling Evidence
Twelfth and last of a group of bills prepared by the Chicago Crime Commission to knock out organized crime in Illinois.

It is well known in criminal law that a conviction may be based on circumstantial evidence. Defendants could not be convicted of gambling. He refused to base a conviction on the rather obvious circumstantial evidence.

To prevent any misunderstanding of the law on this subject, it is proposed that a sentence be added to the statute which makes gambling a crime. The sentence would provide that circumstantial evidence shall have the same validity and weight in prosecution under the anti-gambling law as in any criminal prosecution.

The judge hearing the case held that, since the police officers had not actually observed gambling taking place, the defendants could not be convicted of gambling. He refused to base a conviction on the rather obvious circumstantial evidence.

Only Enemy That Can Outsmart U. S. Defense Department—The Belt Buckle

America unfortunately is becoming noted as a nation that can reach the moon with amazing technological advances but cannot attract and train enough people to keep some of its simplest equipment and facilities in operating order.

Now, a new paradox has arisen—military knowledge soles and soles, an alloy with amazing technological advances but cannot attract and train enough people to keep some of its simplest equipment and facilities in operating order.

Ambitious plans announced three years ago this month were aimed at standardizing on a black-coated metal buckle that would not necessarily complement the variegated uniforms but at least would help hold up our fighting men's trousers.

It now begins to appear that the Defense Department is able to close down bases and shipyards and perhaps even to alter the pattern of reserve forces, withstanding political opposition.

But despite a thorough research and development effort, with numerous laboratory and field tests, government and industry have not yet been able to produce an acceptable buckle. Latest word from the Pentagon discloses, So, until further notice, the Army and Navy will continue spending 10½ cents per buckle, Air Force men will sport another variety costing 13 cents and the Marines will retain the prettiest of them all—at a cost of 35 cents each.

Tuberculosis Fight Still Far From Won
Running behind its income of previous years, the current Madison county Christmas seal drive needs to achieve its full \$50,000 goal to assure continuation of current services, including the annual check of a chest x-ray mobile unit.

Despite development of tools to fight tuberculosis, defeat of the communicable illness is being thwarted by lack of prompt identification of active cases. The Tuberculosis Association program initiated by the seals is a big step in the right direction.

Bi-State Agency Public River Terminal Unique In Not Creating A Tax Burden
Signing of a long-term lease agreement 10 years ago today inaugurated use of the local river-rail-truck terminal, whose history was traced with news articles and photographs in the last issue.

Primary significance is that the dock, house and cargo transfer facilities put the Quad-Cities into the running as a key midwestern origin and destination point for freight that requires or can be aided by low-cost water shipping.

It is noteworthy also that—through the existence of the Bi-State Development Agency and the cooperation of Granite City Steel Co.—the Port of Granite City was established as a public freight terminal without a cent of taxpayers' money. Even after ten years of successful operation, they remain the only public facilities on the entire Mississippi River which have not utilized the general obligation credit of a local-level governmental body.

Confidence Shown By Quick Sale Of Debentures For Plant Expansion
Confidence in the Quad-Cities and its largest employer, Granite City Steel Co., was reflected by the rapid sale of \$30 million in 4½% convertible subordinated debentures made available to the public last week. Within a day, the securities—convertible into common stock of the steel firm—had been sold.

Also announcing agreements with three institutional lenders for placing \$55 million of secured notes, the company is meeting with gratifying success in carrying out its large expansion program that had become so important to its future steel price and quality competition.

Every Sunday, each reader will be answering this question: Is Sunday becoming obsolete? Is Sunday becoming obsolete? Is Sunday becoming obsolete?

Some would contend that our culture is changing from a rural to an urban society, and that many of our traditional customs and practices are obsolete in our modern society—including the custom of buying and selling to essentials on Sunday.

Change is, perhaps, the dominant note of our contemporary society. Yet, as the tempo of life increases, the need for a day of rest—of spiritual renewal—more and more becomes a necessity.

Advocates of modernizing Sunday ought to investigate areas where such experiments have been attempted.

DECEMBER 15, 1914

The Yuletide spirit has descended upon Granite City this week in the holiday style and as a result, practically every merchant in the city has exerted special efforts toward decorating his store and display windows in holiday attire.

As usual, Santa Claus has taken up his headquarters in the stores, and his smiling, beaming countenance enhances the majority of the displays. Santa Claus has had a hard time of it this year. He has been forced to turn his attention to the poor, orphaned children of Europe whose fathers have been shot down upon the battle line.

Unless some of the pupils now on the prospective list of eighth grade graduates fall in their school examinations between the present time and the closing of school for the holiday season on Dec. 23, there will be 40 graduates from the eighth grade who will take up work in the higher branches on Jan. 1.

L. Smith of Granite City won the one-mile amateur championship race at the Palladium Roller Ring Saturday night with the record time of 3:08, beating the former time of 3:18.

DECEMBER 15, 1914

The Yuletide spirit has descended upon Granite City this week in the holiday style and as a result, practically every merchant in the city has exerted special efforts toward decorating his store and display windows in holiday attire.

As usual, Santa Claus has taken up his headquarters in the stores, and his smiling, beaming countenance enhances the majority of the displays. Santa Claus has had a hard time of it this year. He has been forced to turn his attention to the poor, orphaned children of Europe whose fathers have been shot down upon the battle line.

Unless some of the pupils now on the prospective list of eighth grade graduates fall in their school examinations between the present time and the closing of school for the holiday season on Dec. 23, there will be 40 graduates from the eighth grade who will take up work in the higher branches on Jan. 1.

L. Smith of Granite City won the one-mile amateur championship race at the Palladium Roller Ring Saturday night with the record time of 3:08, beating the former time of 3:18.

The following officers were elected for St. Joseph's parish: Theodore Mollenberg, president; Peter J. Lohmann, vice-president; John P. Beres, financial secretary; Joseph W. Datchuk, recording secretary; August Lohmann, treasurer; and Albert Lemnar and John Roth, trustees.

Five Church Choirs Will Give Christmas Program

The five choirs of Niedringhaus Memorial Methodist Church will present a concert of Christmas music Sunday evening, Dec. 20, at 7:30 o'clock in the sanctuary. The public is invited to attend.

The chancel choir and senior high youth choir, directed by Warren G. Simpkins, will present a "Carol Service With Nine Lessons" by Theron Kirk with solos by Mrs. James Loy, Miss Diana Jo Thuis, Dr. Earl Miller and David West.

A varied group of Christmas songs will be sung by the chancel choir directed by Miss Thuis; the junior choir, directed by Mrs. Loy; and the junior high chapel choir under the direction of Mr.

Simpkins. Individual solos during the evening will be sung by senior high students, Jeneal Moore and Mary Moulter, and junior high student Dennis Jolley.

Preceding the concert, Mrs. Russell West, church organist, will play a fifteen-minute prelude of Christmas music. Choir accompanists will be Mrs. West, Miss Diane McConery, Miss Sheila Gibbs, Mrs. Earl Miller and Mrs. Edward Forguson. An informal coffee hour for all will be held in Wesley Hall immediately following the program.

Sunday morning, Dec. 20, the organist, Mrs. West, will play the prelude "Shepherds in the Field" (Steers), Yuletide Meditation" (Olynn), and "Fantasia on 'Adeside Fidelity'" (Sergison). The postlude will be "Jesus, Joy of Man's Desiring" (Bach).

The senior high youth choir, Warren Simpkins, director, will sing the anthem "He is Born Christ the King" (H. K. Davis) at the 9:30 a.m. service, and the chancel and choir choirs will be heard in the anthems "In Excelsis Gloria" and "Silent Night" at the 10:40 service. The chancel choir will be directed by Miss Thuis.

FRAMEWORK for a new all-metal building 70x120 feet takes shape at State and Market streets in Madison where the building is being erected by Steelhousers, Inc., 1301 Market street, Madison. The building is for a warehouse and for transfer of steel and steel products. Cost has been set at \$20,000.

Urge Precautions Against Fire During Holidays

Quad-City fire officials urged area householders today to take special precautions against the possibility of fire which is greatly enhanced during the holiday season by faulty Christmas tree wiring, lighted candles used as decorations and other yuletide activities.

Authorities point to a death toll of 35 persons who died in fires on Christmas day of 1963, and a comparative death toll of 107 persons over the three-day Christmas holiday of 1962, as reason enough for using special care in preparation of Christmas displays, use of electrically operated toys, and the use of candles as decorations.

Since this year's Christmas and New Year's holidays will be four-day holidays, fire officials are particularly alerted against the potential death by fire possible over the longer vacation period. Last New Year's, 29 persons reportedly lost their lives in fires in a 24-hour period in the nation. In 1962 there were 84 fatalities in a three-day holiday period, maintaining the same deadly daily average.

Agricultural Extension Program Aids Farmers

The Agricultural Extension Program in Madison county, in cooperation with the College of Agriculture, University of Illinois, is under the supervision of the county Agricultural Extension council.

The council officers are Howard Kasper, of Granite City, chairman; Charles C. Losch, vice-chairman; and Marvin L. Seale, secretary. Council members include Wilbert Engelke.

The activities offered by the group to Madison county farmers are—

Soil testing and fertilizer recommendations, acquisition of seed of recommended crop varieties, control of weeds and insects, pasture improvement involving soil treatment and new seedlings.

Dairy herd improvement testing, rationing for dairy cattle and other livestock, farm record books for improving efficiency and for income tax returns, plans for farm buildings and equipment, farm leases for tenants and owners, father and son business arrangements, 4-H Clubs and Rural Youth and special meetings on various farm subjects.

IRS Office to be Closed Wednesday for Training
The East St. Louis office of the Internal Revenue Service will be closed Wednesday while all employees are attending a district training conference in the Springfield headquarters office. The announcement was made by Walter M. Putnick, supervising agent.

Three Charges Dropped
A battery charge against Dorothy Fredrick, 2111 Lincoln avenue, and battery and disturbance charges against Cooper Fredrick, 2533 North street, were dismissed Thursday by Magistrate Gasparovic. They had filed complaints against each other on July 3, 1963.

Open House Tomorrow For YMCA Art Class

Colorful conversation, criticism and coffee is promised to those who attend an open house combined with the final fall session of the Wednesday Art Class, from 1 to 3 p.m. tomorrow at the YMCA.

Several paintings will be displayed and visitors will be invited to join in group discussions.

Participants in the fall class were divided into portrait and landscape artists and those interested in semi-abstract and surrealist work. Among the local artists enrolled were: Mesdames Helen Law, Jeanne Vick, Carol Edwards, Betty Roberts, Jackie Sparks, Dorothy Toth, Norma Claywell, Jean Brantley, Barbara Thoeke and Ann Vandavey, who will serve as studio assistant for the new class.

Registrations are being accepted for the spring class which begins Jan. 13. The course of 12 lessons is available for a fee of \$10 for YMCA members and \$15 for non-members. Mrs. Bonnie Fuller, well-known local artist, is the instructor.

Be a hero—give your family a dishwasher

"But," you say, "our family already has a dishwasher." We know. But she's getting awfully tired of it. And she's much too pretty to spend so much time sloshing dishes in hot water. (It takes the average American housewife 225 hours a year to wash her dishes by hand!)

Be a hero. Give her a dishwasher—the portable electric kind. Spare her and the rest of the family the drudgery of handwashing thousands of dishes and utensils a year! Give the whole family the gift of extra hours to be together and enjoy the better things of life.

A portable dishwasher needs no expensive installation. Take it with you when you move. Some models can be built into your kitchen later if you wish.

And while the new dishwasher is doing the dishes and you're both enjoying your favorite TV program together for a change, gently remind her that an electric dishwasher gets dishes hygienically clean... the way washing them by hand could never do. That will convince her you're really a hero.
